

SUPPORT ONLINE SCHOOLING FOR MOORISH CHILDREN

Your Donation Can Make a Meaningful Difference

Online Schooling for Moorish Children is a private educational institution. We are not operated or funded by the government. Our school is sustained through student tuition, enrollment fees, private contributions, fundraising efforts, and the generous support of parents, families, community members, and friends of education.

We work to keep tuition affordable for the families we serve, with tuition generally assessed by household rather than by each individual student. Because tuition alone does not cover every educational and operational expense, donations are essential to the continued growth and success of our school.

WHY YOUR DONATION MATTERS

Every contribution helps us provide students with the educational resources, services, and support they need to become knowledgeable, confident, disciplined, and productive members of their families, communities, and society.

The education provided through Online Schooling for Moorish Children emphasizes:

- Academic excellence
- Cultural knowledge and national identity
- Critical thinking and independent research
- Reading, writing, mathematics, science, and technology
- Financial literacy and entrepreneurship
- Character development and personal responsibility
- Physical, mental, emotional, and spiritual well-being
- College, career, vocational, and business preparation

Your donation can make an important difference in a student's educational experience and future opportunities.

HOW DONATIONS ARE USED

Donations and student tuition help support the quality and availability of the services we provide. Contributions may be used for:

- Educational books and instructional materials
- Student workbooks and learning packets
- Virtual classroom platforms and technology
- Website, communication, and administrative services
- Computer equipment and educational software
- Instructor resources and professional development
- School supplies and classroom materials
- Testing, assessment, and recordkeeping resources
- Student programs, activities, and special events
- Financial literacy and entrepreneurship projects
- Academic support and student enrichment
- General operating expenses are necessary to keep the school functioning

ANNUAL FAMILY ASSISTANCE

When sufficient donations are available, Online Schooling for Moorish Children seeks to assist at least one family each year with a portion of the educational expenses incurred while attending the school.

Family assistance is based upon available donated funds, demonstrated need, eligibility requirements, and administrative approval. Contributions to this effort help reduce financial barriers and provide deserving students with continued access to a quality education.

WAYS TO DONATE

Donate Through Cash App

Cash App: \$_____

Please include **“School Donation”** in the payment note. If your contribution is intended for a particular program or approved purpose, include that information in the note as well.

Online Schooling for Moorish Children

4223 Goodson Court
Belcamp, Maryland 21017

Please write **“Donation”** in the memo area and include your name and contact information if you would like to receive acknowledgment of your contribution.

EVERY CONTRIBUTION IS VALUED

No donation is too small. Every contribution helps us continue providing educational opportunities, learning materials, technology, student support, and essential school services.

Whether you contribute once, give monthly, sponsor a student program, provide needed supplies, or assist with annual family support, your generosity helps us educate minds toward excellence.

We sincerely appreciate every parent, family, organization, community member, and supporter who believes in our mission and invests in the education of our youth.

Thank You for Supporting Online Schooling for Moorish Children
