

Online Schooling for Moorish Children
Pre-School Curriculum for Ages 3-5
Times 8:30 am-3:30 pm est.

Reading

1. Alphabetic Principle and Recognition- Recognizing that words are made of letters and that letters represent sounds. Students practice tracing letters while developing sight-word recognition.

2. Sight Words- Words young children are encouraged to memorize by **sight** so they can recognize them automatically in print without needing to decode them.

3. Phonemic Awareness- a subset of phonological **awareness** in which listeners are able to hear, identify, and manipulate **phonemes**, the smallest units of sound that can differentiate meaning.

4. Reading with Comprehension learns to sound out words silently or aloud and understand the words with the ability to actively engage with, process, and extract meaning from a text.

5. Vocabulary- a list or collection of words or of words and phrases usually alphabetically arranged and explained or defined.

6. Accuracy- is the ability to produce correct sentences using correct grammar and vocabulary. On the other hand, and **Fluency-** is the ability to produce language easily and smoothly.

7. Spelling- the process or activity of writing or naming the letters of a word.

8. Art Expression- Learning basic shapes and colors with the process of using creative mediums like painting, music, or writing to externalize inner thoughts, deep emotions, and individual experiences all while having fun.

9. Math- Counting, learning to count numbers 1-100. Picture counting, recognizing the math symbols. Adding and subtracting 1 digit and 2-digit numbers, multiplication, and division.
